Product Manager (m/f/x)

 Paderborn & Szczecin  Full-time  As of now  Product Management

Are you passionate about developing forward-looking software solutions and want to actively shape the product strategy and roadmap, manage the entire product discovery process, and work closely with international teams on innovative B2B solutions, while contributing significantly to the success of our products as the central interface between customers, development, and stakeholders?

Then apply now and become part of our mission: "Discover to Manage."

Your tasks at Raynet

- Close collaboration and coordination within an agile, international Product Management team to deliver innovative product solutions together.
- Defining and developing the product vision and strategic roadmap.
- Managing the entire product discovery process – from initial ideas through concepts to validated features.
- Bridging the gap between customers, sales, development, and stakeholders
- Active expectation management and prioritization of the product backlog.
- Designing and implementing ideas, mockups, and prototypes to validate customer needs.
- Conducting thorough market and competitive analyses to identify trends and technological opportunities.
- Supporting go-to-market strategy by delivering product presentations and webinars for customers and partners.

Your qualifications

- 2-3 years of experience in product management at a software company, in B2B software environments, or SaaS
- Knowledge of agile methodologies (Scrum, Kanban) or product discovery (e.g., Design Thinking)
- UX affinity and a strong eye for user experience, with experience using tools like Figma, Adobe XD, Balsamiq, etc.
- Ability to understand complex technical requirements and translate them into clear business cases.
- Confident presence and excellent presentation skills (in German and English) to communicate technical content in an engaging way.
- A proactive "hands-on" mentality.

What we offer

- A lot of room for independent action, fresh ideas and new challenges
- Flat hierarchy, direct contact persons and fast decision-making processes
- Diverse tasks and projects in an innovative environment
- Team events & work-life balance
- Individual further education activities
- A challenging, practical and future-oriented job in an internationally growing company

Paderborn:

- Fully equipped and modern office with ergonomic workstations
- In-house gym and sauna
- Charging stations for e-bikes and e-cars
- Beautiful panoramic terrace over Paderborn

Stettin:

- Private medical healthcare (MediCover) and contribution to glasses
- Sport card (Multisport)
- Well equipped office with own leisure area, coffee, tea, drinks, fruit, table soccer, darts etc.
- Parking for your car/bicycle

Why Raynet?

Because we make the difference and not only offer you a demanding and challenging job with exciting opportunities for further training and promotion, but also do everything we can to make you feel at home.

We balance family and career and give you enough freedom to realize your potential in our friendly and motivated team – in line with our Modern Hybrid Workplace concept at each of our locations.
