 Paderborn  Full-time  As of now  Finance & Revenue

Raynet – Empowering IT Visibility

Would you like to play an active role in shaping the success of exciting projects? We are looking for a proactive and analytical personality to strengthen our Finance & Revenue team and drive the growth of our company! Apply now and become part of our “Discover to Manage” mission.

Your tasks at Raynet

- Preparation of monthly, quarterly, and annual reports as well as target/actual comparisons
- Analysis of deviations and development of recommendations for action
- Independent development of a professional project controlling system:
 - Support for ongoing customer projects with regard to budgets, costs, schedules, and resources
 - Preparation of preliminary and final cost estimates
 - Performing target/actual comparisons for projects
 - Identifying project risks and developing countermeasures
 - Working closely with project managers to ensure that economic targets are achieved
- Further development and automation of reporting and controlling processes
- Performing ad hoc analyses to support decision-making
- Working closely with accounting, management, and specialist departments
- Assisting with budget planning, forecasts, and investment calculations
- Supporting management with business analyses and key performance indicators
- Supporting the expansion of SaaS reporting structures for the software business

// Professionally experienced

Controller (m/f/x)

Our expectations

- Completed degree in business administration with a focus on controlling/finance or a comparable qualification
- Experience in controlling, ideally with a focus on project controlling and/or SaaS business models
- Confident use of controlling tools, in particular MS Excel
- Basic knowledge of accounting in accordance with HGB and/or IFRS as well as DATEV knowledge is an advantage
- Analytical thinking, structured and independent way of working
- Hands-on mentality and enjoyment of optimizing processes
- Strong communication skills and a high degree of teamwork
- Very good German and English skills, both spoken and written

What awaits you

- Plenty of scope for independent work, fresh ideas, and new challenges
- Flat hierarchies, direct contacts, and fast decision-making processes
- Diverse tasks and projects in an innovative environment
- Team events & work-life balance
- Individual training opportunities
- A challenging, practical, and future-oriented job in an internationally growing company
- Fully equipped and modern office with ergonomic workstations, common Friday BBQ on the rooftop, e-bike leasing via BusinessBike, charging stations for e-bikes and e-cars, combined with a panoramic terrace overlooking Paderborn

Why Raynet?

Because we make the difference and not only offer you a demanding and challenging job with exciting opportunities for further training and promotion, but also do everything we can to make you feel at home.

We balance family and career and give you enough freedom to realize your potential in our friendly and motivated team – in line with our Modern Hybrid Workplace concept at each of our locations.
